

PRAISES – WE THANK GOD FOR...

1. The broad release of Chip's new book, *The A.R.T. of Survival*, written to help believers navigate these turbulent times.

2. Opening new doors for ministry in India and Africa and continuing to give us access to Chinese pastors when most ministry organizations have been forced out of the country.

3. Using the radio, podcast, digital app, and website every single day to help believers face the future with confidence.

PRAYERS – WE ASK GOD TO...

1. Continue to use Living on the Edge to provide Biblical wisdom and practical help to a divided nation.

2. Bring together 10,000 church leaders, through our global partnerships, to launch online leadership training in January.

3. Provide the finances through the Year End Match to finish strong in 2020 and launch what God is calling us to do in 2021.
