# What to Do When You're Spiritually Stuck

If God changes lives, why is mine stuck in the mud?

We all want life change, but achieving it is hard. As Christians, we know we've got God's help. Jesus has made it possible. The Holy Spirit even lives inside us! And yet, too many Christians are stuck in the mud when it comes to life change. What's going on? Can things ever get better? Can my life ever turn the corner?

You'll learn the difference between living for God's approval and from God's approval. It's time to get off the hamster wheel of Christian expectations. Only when you understand your full acceptance by a loving God can life change begin to happen.
