PRAISES – THANK GOD FOR...

The incredible opportunity to inspire, encourage, and help tens of thousands of believers ignite their spiritual passions through Chip's teaching on Ephesians 4 last month with **Daily Discipleship with Chip**.

The amazing and exciting way He's bringing over 4,000 pastors and church leaders from around the world "together" through the global webinar series **Making Disciples in a Disrupted World**.

The generous financial support from our partners that is allowing us to translate our materials into a 4th Indian language and Tagalog for the Philippines.

PRAYERS – ASK GOD TO...

Provide clear direction and wisdom to Chip and the Living on the Edge team as they film and create content this month for the next **Daily Discipleship with Chip**.

Powerfully multiply the ongoing and future impact of the global webinars and call new partners to join with us.

Use us to be a catalyst to help launch a movement of believers to move from "in" to "all in."
