

Two Main Ideas

1. We have obtained an inheritance.
2. We have been sealed with the Holy Spirit.

You are very rich and very secure.

2 Timothy 1:7

When you are sealed with the Spirit:

- You were **JUSTIFIED**. **Justification** is God’s legal declaration that all your sins are forgiven and that He has granted you the righteousness of Christ. It’s your “new position” as His dearly loved child.
 - God is your **Father**.
- You were **REGENERATED**. **Regeneration** means that you are a new creation “in Christ” and have a new nature fully pleasing to God.
 - You are a **new person**.
- You were **RECONCILED**. **Reconciliation** means that although you were once hostile to God and alienated from Him, you are now His friend.
 - God is your **friend**.
